

Our Clinical Team

Our clinical team includes physicians, nurse practitioners, mental health clinicians and nurses, all of whom are adolescent specialists with years of education and experience in working with adolescents.

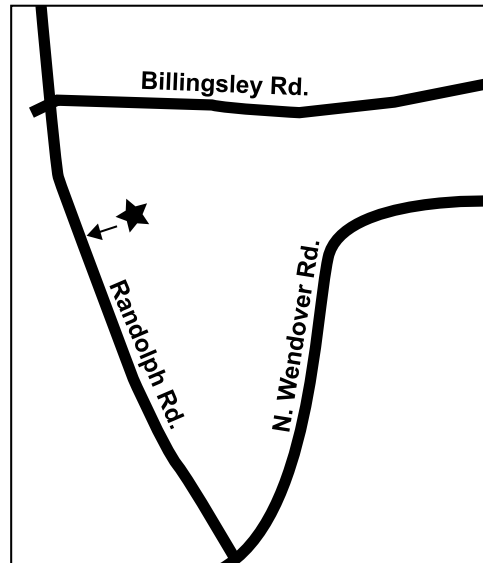

Dr. Kristin Rager is Medical Director of Teen Health Connection and Director of Adolescent Medicine for Levine Children's Hospital. She is board certified in pediatrics and adolescent medicine.

For more information and photographs of our team, visit www.teenhealthconnection.org.

Our Patients

Patients are 11 to 22 years old, both male and female, who live in Mecklenburg and surrounding counties. Services can be paid for with private health insurance, Medicaid, Medicare, Carolinas Medical Center's sliding scale and self-pay.

3541 Randolph Rd., Suite 206
Charlotte, NC 28211
